Assessor Comments	Lambs present in store to forward store condition, lambs are still very “fresh” and are moving forward as the feed is hardening up. Vendor is the principal of the Glencorrie stud and uses quality Poll Dorset rams (Tattykeel Bld) over very good 1st X ewes. The 1st X wether portion have always preformed exceptionally well year in year out. Lambs usually kept on to feed and easily make heavy trade weights but due to increasing ewe numbers has decided to reduce lambs numbers earlier. Please take note of property’s feet status.
