Assessor Comments	240 Young First X Wethers. Lambs come from large framed, plain bodied Broken Hill and Warren bred merino ewes. Sired by Cadell blood B/L rams. Averaging 37.9kg at assessment, these wethers will continue to grow into top kill lambs, given half a chance, with depth and bone to carry their long bodies. Excellent quality, solid wethers from a renowned flock. These lambs are the tops of their drop. Ideal lambs to finish to heavy weights thru summer into autumn. Highly recommended by Assessor's.
