Assessor Comments	465 May/June 2025 Merino wether lambs, Formosa bred, Charinga blood, unshorn, mulesed, 32.6 kgs live weight at assessment. A quality line of wether lambs, perfect to grow out for trade/export markets. Wethers are reasonably fresh considering season, displaying plenty of width, depth and bone. Proper wether lambs that will fill out into heavy export lambs and cut a power of wool. Ideal dual purpose sheep. Please note vendor has a second line of lambs in this sale.
