| Assessor Comments                     | This is the top draft out of 1400 lambs ave 42 kg. These lambs have plenty of stretch and frame and would be ideal to shear ( big 62 ml ave skin) then fatten for export markets. They are bred out of good frame Riverina bred ewes (Tupra , Yanco ) by stud Tulagi Rams. Odd lamb with weeping eye but will be checked on delivery.LAMBS WILL BE CRUTCHED BEFORE DELIVERY.                 |            |          |            |
