| Assessor Comments            | A well-bred line of Merino/Southdown cross lambs. These lambs have been drafted into a tight 10kg weight range with a tail removed for buyer confidence. Presenting in fresh sappy condition despite an early weaning, these lambs have been carefully managed and have all the hard work done making them ideal for buyers chasing lambs that will finish efficiently across a range of systems. Please note vendor has a heavier weight line of lambs in same sale. |            |            |                |  |      |      |
