Assessor Comments	Neat 4 deck load of freshly shorn Poll Merino Wether lambs which present in forward store condition and will only continue to go forward. These Wth lambs show a nice stretchy frame with and plenty of leg. The lambs produced a nice white wool, with a well defined crimp at shearing. Lambs purchased Ex SA Mallee and are only being offered due to the seasonal conditions, which is earlier than the vendor had planned to. All lambs have been drenched and weighed for the buyers confidence. These lambs will suit any grazing operation or feedlot operation to be taken out to export weights or wool growing Wethers. Tail has been removed.
