| JD Approved Vaccinates                | Sheep are JD Approved Vaccinates. Vendor has been continuously vaccinating all retained lambs in the flock for 11 years                                                                                                                                                                                                                                                                                                                               |            |                    |            |
| Vendor Comments                       | Annual sale of our merino wether lambs. Lambs are healthy and going well on crop since weaning and being freshly crutched                                                                                                                                                                                                                                                                                                                             |            |                    |            |
| Assessor Comments                     | Well bred line of weaned merino wether lambs. Yarrawonga blood and carrying a clean bill of health. This represents the vendors entire drop with a visual tail removed at assessment. Annual sale of weaned wether lambs which have good wool characteristics and have performed well for previous purchasers. Lambs stand in store to forward store condition and still showing plenty of freshness in the skin. Please call for further information |            |                    |            |
