Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.		
Assessor Comments	Well bred line of young Merino ewes that are Alfoxton/Demondrille blood and ultra fine in wool type. Have endured a tough autumn and winter and now starting to reflect time on a grazing oat crop. Was evidence of lice in June and a dose of Flexoff had a great result plus Viper backline off the board. Lambs present in fresh store to partly forward store condition.+
