Assessor Comments	Second draft of the Somerton Pastoral Company's xb lambs. June/ July drop and weighing 32-48kg to average 40kg. Out of Kerin Poll blood ewes by Hillside White Suffolk rams. Lambs were weaned in early September and are powering along on lucerne pastures. The lead draft is also being offered in today's sale averaging 47kg. A 15% tail was visually drafted of the whole mob and retained. Very well bred lambs from a well managed flock that will hit any targeted market given the opportunity and proper management.
