Assessor Comments	On offer is an excellent line of 336 quality crossbred lambs. These lambs are a May/June 2025 drop and are sired by Majella Poll Dorset rams out of medium framed 1st X ewes. Rams are purchased with a focus on structural soundness, shape and bone with these lambs being a prime example of all. Due to tough seasonal conditions, the vendor has decided to offload lambs earlier than usual which gives buyers to purchase a run of well bred lambs that would be ideal to take onto heavier specifications. Lambs have been individually weighed out between 30kgs to 45kgs with a tail removed ensuring a lead draft. An opportunity not to be missed. PLEASE NOTE: Dirty lambs will be cleaned up prior to delivery.
