Notable Traits	Traits 3 Head Long tail ewe lambs		
Assessor Comments	A very good quality draft of 2nd x suckers by Gartlee Poll Dorset rams. These lambs have been running in the hills that's healthy breeding country but not known for its finishing ability. Lambs are normally weaned onto the flats to be finished but the season hasn't come on as usual. So, this presents buyers with the opportunity to secure A1 finishing lambs that are bred to be heavy exports. Drenched at assessment.
