Assessor Comments	An outstanding line of 316 shorn whether lambs. These lambs have performed extremely well for their age and conditions showing great shape and freshness. Bred out of large frame Outback MPM blood merino ewes, we have always had great feedback on the cross bred suckers and wether lambs purchased off the Pfitzner family farm. Shown the right conditions these lambs will continue to go forward and are the type to grow into heavy export weights. Vendor has a total of 3 lots in this auction.
