Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.			
Assessor Comments	First draft of the 2025 Drop XB Lambs. On offer is 560 head. Weight for age, bone, length of body, shape & fat cover are all evident being on average only 74 days old at assessment. These lambs are only a June/July Drop they have averaged 42kg at assessment on a 2 hr curfew. The lambs have grown at an outstanding rate of 550g/hd per day since birth. Given a late start to the season these lambs have come through extremely well. They are fresh and have the potential to grow into quality trade or export weights. With outstanding forward contracts out into the spring and later year these lambs should be bought with confidence. Please note lambs will need to be trucked asap as grass seeds will become an issue. They will also be crutched before delivery.
