| Assessor Comments | 350 vendor bred White Dorper ewe lambs, April/May drop, Etiwanda blood. Lambs are doing well considering the recent dry conditions. Weaned on 08/08/25. These are the tops of the white ewes with no replacements kept. The Koree flock is very well managed with a tight 6 week joining with any ewes not scanning up being sold. Please note 4 ewes with caramel pigment on their head. |
