Assessor Comments	A good quality line of 2nd x lambs that have done exceptionally well considering the season. These lambs have come from 2 different properties and were weaned and drenched on the 25/08/25. This is the lead draft of lambs for the drop with a 20% tail removed. Great line of lambs to shear and blow out to thumpers. A great opportunity to put 4 decks of breeders 2nd x lambs together.
