Assessor Comments	225 Merino Store Lambs. 100% Parkdale Merino Blood, November 2024 drop ready to go ahead coming into Spring with plenty of time left in them. Shorn a week before assessment and cutting 80mm of top quality wool, with a nice crimp, they will do nothing but go ahead with the hard work done already. These young wethers should give many years of wool growing to the astute woolgrower. These lambs could also get enough weight on them for a light trade kill job before cutting teeth on the right feed going forward.
