Assessor Comments	210 Fantastic quality 2nd X NSL that are very well bred, showing plenty of deepth of carcass. 100% of these lambs have been weighed 35kgs and up to ensure buyer's confidence. These lambs are the tops of the drop and will take little work to get up to a kill weight given the right opportunity. These lambs have been trained to grain and are currently receiving barley in a feeder, alongside fresh lucerne. Note these lambs are grazing on clean pastures with little to no burr, nor seed sighted. These lambs come with my highest recommendation.
