Assessor Comments	Presenting 175 merino ewe lambs. Showcasing pure Mumblebone blood, Heatherlie have continuously purchase top end rams with a focus on fertility, fat and growth. Over the past 6 years Heatherlies flock has been scanning up at 165% and weaning between 108% and 121% depending on wild dog pressure. The flock is also ZQ RWS accredited. Averaging 40.2kg after curfew these ewe lambs are ideal to carry out for future breeders or to feed on to kill. Please note there is some slight stain around the breach. This is a regretful sale for the vendor, however selling due to destocking needs.
