Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.			
Assessor Comments	*JS Schinckel - Quality Store Lambs, Second Draft* 298 x 1st X Suckers Lambs, 50% Poll Dorset/Merino X & 50% White Suffolk/Merino X, April/May 2025. These Lambs averaged 34.9kg and were 100% weighed at 28kg-38kg with only 5 lambs under 30kg at assessment. The lambs were weaned 28/8/2025 onto a fresh sown Barley Crop which had made these lambs jump out of their skins. Bred out of large frame west coast ewes given these lambs real potential. Given the fresh feed the skins on these lambs have greased up showing how healthy they are and how they are marching forwards. The lambs will not disappoint. ****Please Note these lambs will be crutched prior to delivery****
