Assessor Comments	*Nicolai Farms - Thirds of the 2025 Drop XB Lambs* 367 x White Suffolk/Merino X Mixed sex suckers, April/May Drop & weighed 29kg at assessment. Weaned early April and given a late start to the season these lambs have come through extremely well. Bred out of Kelvale Blood Merino Ewes by high indexing Illora White Suffolk Rams. These lambs are still quite fresh and will grow into big suckers on feed. Please not these lambs were locked up for 24 hours only 2 days prior to assessing for crutching so i believe these lambs will weigh with you.
