JD Approved Vaccinates	Sheep are not JD Approved Vaccinates.			
Vendor Comments	Proud of how these Lambs present considering the tough start to life they've had with one of our worst seasons ever.			
Assessor Comments	166 New Season Wether Lambs from Noted Riverland/ Mallee Breeders the Farr Family. These Wether Lambs are generally grown out into export weights by the Vendor but due to seasonal conditions these lambs are being offered. These Wether lambs will comfortably grow into export weights with tonnes of Ridgway Advance breeding behind them. I highly recommend these lambs!
