Assessor Comments	Annual dispersal of surplus Ewes from the Maguire family (Cooee). 11+ years of Pooginook Merino blood which each year you can see the sheep improving immensely. Repeat buyers come back with positive feedback year in, year out. These Ewes will grow into a medium-large frame sheep. At assessment 20 were mouthed, 15 still displaying lambs teeth, 5 hogget teeth. Ewes since shearing have really pushed forward and would ideally suit a terminal sire for a Dec/Jan joining.
