Assessor Comments	Buyers, on offer is a quality line of 350 3-year-old non-station mated Border Leicester/Merino ewes, carrying the highly regarded Kegra 'Super Border' bloodlines. These ewes are medium to large frame and present in predominantly forward store condition. Lambs were weaned 6 weeks ago, and the ewes have had time to regain condition after a tough winter with lambs at foot. Despite this, the ewes have bounced back well. A great opportunity to secure sound, functional breeders with strong maternal genetics, ready to join. ** Will be delivered crutched**
