Comment on Fat Score 1 Sheep

Ewes that are assessed as fat score 1 are very fit and healthy, but just not carrying a lot of fat.

|                        |                                                                                                |

| Assessor Comments            | 150 Merino ewes that are ready for a spring joining. Nice young ewes that are on the market due to vendor not breeding own first x ewes any more.                                                                                                                                                                                                                                            |
