Assessor Comments	A very good quality line of first cross maiden ewes. They present in forward to prime condition, and are ready for the rams. They were purchased in late January as weaners direct from the breeder. They have grown out well, are a nice even line, and will continue to mature into excellent medium/large frame prime lamb mothers. All one mark. Vendor has also one other lot of ewes in this sale, 2nd cut of the same consignment.
