Assessor Comments	Nutrien Ag Solutions Kimba are proud to offer Boongala Ag's 4.5 year old poll merino ewes. This line of ewes have been classed in yearly to ensure the breeding program is as successful as possible. These ewes are excellent mothers who produce top quality offspring. Lambs were weaned at assessment demonstrating the ewes natural frame, size and doing ability. The ewes produce stylish, white wool year in, year out which is a visible trait descending from the Karawatha Park sires used in the breeding program. Please note- of handled ewes, 1 was found to have scurs.
