Assessor Comments	Nutrien Ag Solutions Kimba are proud to offer Boongala Ag's 2.5 year old breeder ewes. These ewes have frame, weight and fertility. With the lambs only being weaned off at time of assessment, the ewes have carried condition throughout pregnancy and lambing extremely well. The ewes are vendor bred from an excellent breeding program with sires purchased from the top end of Karawatha Park's sale yearly and breeding ewes classed in yearly. These breeders have bright, stylish wool packed onto their large frame. Please note- of the handled ewes, 2 were found to have small scurs.
