| Assessor Comments            | Very good quality 1st X Ewe Lambs. These young ewes are bred out of large framed Weealla blood merino ewes with plenty of frame, stretch and depth. Fertility is a major focus in their breeding. They are by Bindaree Border Leicester Rams and have been bought regularly by repeat buyers. They have been grazing on an oat crop and present in prime condition ready to join to the ram of your choice. They will not disappoint the most particular buyer - a must to consider.
