| Assessor Comments                     | Very good line of full shedders that are on the do and ready to join. Pure Bulmar Ultrawhite Blood, NSM Maidens. Maidens are 'Classed In' with manager selling culls to meat trade. Sires specially selected for fertility, shedding and structure, especially on feet. In past 3 weeks ewes have really started to clean up in skin and put on condition with onset of warmer weather after tough, prolonged winter. Wether portion yielded over 50% in domestic trade with tops initially into export market. Productive ewes that are joined at 8 months of age and to lamb 5 times over 3 years. |            |                |                |  |           |     |      |     |
