Assessor Comments	**REPUTABLE FUTURE BREEDERS** 270 1st X Future Breeder Ewe Hoggets/Lambs. Averaging 62kg live at assessment. Aug/Sept Drop. A quality line of 1st X Ewes that show terrific length and depth of body, whilst also remaining very feminine. The Top Rams from Weddin B/L are used to produce these Ewes, selected for Eye Muscle Area and Twinning. These Ewes have carried themselves well through the dry conditions and have improved significantly after shearing. These Future Breeders would produce the high quality 2nd X sucker or heavy lamb all buyers are chasing. Ewes will not disappoint! (Note: Tail has been removed)
