Assessor Comments	B double of classed breeders Aug/Sept '20 Pure Egelabra bld off shears msd, nsm. Observed odd ewe with small horn. Mouthed ewes handled through weigh crate all were sound mouth. Ewes lambed at 114% this year, under pretty tough seasonal conditions. Ewes still showing udders as lambs were weaned Tues 2/9/25. Bred in the renown Marra district, north of Nyngan, breeders displaying trueness to type, out of a closed Egelabra flock classed by Jack Kelly. Ideal to join to ram of your choice or put on feed and take advantage of current markets.			
Assessor	Peter Hargreaves (Level 1 Accredited)
