Assessor Comments	They are a very well grown line of young ewes with good frame and structure, that are ready to take home and join to the ram of your choice, either merino or XB. They are excess to requirements to the Towonga Merino Stud commercial flock and as stated have a small number of Darriwell blood ewes that were purchased last year when the vendor purchased the stud. Please note that the wool results are a 6 month shearing. They have had a 10% tail removed and are continuing to improve on the oat crop.
