Assessor Comments	** Flock Dispersal ** S & L Baker would like present this line of 161 Blue tag ewes. 2 year old, This line of ewes were purchased from Spicer's Creek Annual ewe sale. These ewes have had lambs weaned off them 8 weeks ago and lambed at 140%. Presenting with a fresh short skin being shorn on the 19 August, this would be great opportunity to secure a quality line of young 2 year old ewes that have been purchased from a breeder with a very good reputation. All ewes in this line are proven breeders with any ewes that failed to produce a lambs pulling out and joined another mob.
