Assessor Comments	The vendor originally kicked off his breeding program in 2021 by purchasing a line of ewes from Illinois Farms which were based on Tattykeel, Arden's & Red Hill blood lines along with a line of ewes from Derrick Farms that were 100% Tattykeel certified ewes. Both lines of ewes were S.i.I to top Tattykeel blood Australian white rams and the vendor has continued down this path continuing to purchasing top Tattykeel rams to put over his ewes. These ewes have been joined to Tattykeel Australian white rams from the 13/6/25 to the 24/7/25.
