Assessor Comments	200 merino ewes, April/May 2024 drop, Budgewah bred, Woodpark Poll blood, shorn, mulesed, 53.5 kgs live weight. A nice line of ewes that will continue to grow and mature into large framed breeders for the future. Ewes cut a stylish quality soft wool on a big plain body and would suit both merino or prime lamb production. Great ewes to join for an autumn lambs next year.
