Assessor Comments	An excellent quality line of maiden SheepMaster ewes, surplus to requirements at "Wild Oat" SheepMaster Stud. These ewes are large framed long bodied heavy boned sheep that are ideal for producing lambs to fit all markets. All ewes were given the opportunity to the rams in early autumn and did not join due to age and body weight at the time, but they have grown out nicely and are ready for joining. They would be ideal to fit into any commercial flock. A rare opportunity to secure some outstanding quality genetics
