Assessor Comments	This offering comprises of 335 May - June 2021 drop merino ewes. These proven breeding ewes were purchased as maidans from Jamestown spring ewe sale in 2022. Since then, the vendor has joined these ewes to terminal sires as part of a prime lamb enterprise, with their progeny continually being grown out to be processed at export weights. This line of 4 & half year old ewes are only being offered due to ongoing unfavourable seasonal conditions, that has led to a flock reduction by the vendor. September shorn, NSM, mulesed and tail stripped, these ewes are prepared, and will be ready to join in the spring. Please note the vendor has 165 2022 drop Dohne/ Merino ewes, and 150 2020 drop ewes in this sale also.
