| Assessor Comments               | Early sale of the Hansen Farms June/July 24 drop Poll Merino ewes. This sale presents an opportunity to purchase surplus to requirement lambs/hoggets with 80% of the ewes still retaining lambs teeth. Normally kept on and sold as SIL ewes later, these girls are only on the market due to the tight seasonal conditions. The Hansen family are known for breeding large frame sheep that produce heavy cutting, defined, crimped wool. Buying at the top of the SWM catalogue every year these ewes are full of high end genetics that will produce quality progeny for years to come |
