Assessor Comments	Final stage of the "Bonfields" flock dispersal, on offer is a quality line of Merino ewes, 2022 & 2023 drop. These young ewes are classed breeders, mostly sired by Haddon Rig Merino rams out of a ewe flock based on Haddon Rig blood for many years, with some of the 2023 drop ewes sired by Lachlan Merinos rams. Ewes are Gudair vaccinated, and rams only have been introduced to the property. They are mulesed and early September shorn. Ewes show good frame and present in ideal condition to join as soon as required. Excellent opportunity to purchase classed ewes in the prime of their breeding lives and with all the hard work done. Vendor also has a line of 169 head of younger 2024 drop ewes on offer in this sale. PLEASE NOTE 1 day delivery preferred - Monday 20th October.
