Assessor Comments	Buyers, on offer is a neat line of 120 NSM 3 year old BL X Merino ewes. Ewes are sired by Dunniel BL rams out of large frame Wanganella BLD Merino ewes. Ewes were purchased out of the Forbes 1st X Ewe sale in 2023 as one mark maiden future breeder ewe lambs off 'Lindsay Brothers', Tottenham NSW. Ewes have since been a consistently fertile article that has performed and produced quality prime lambs to suit supermarket and export specifications. These ewes are 10 days off shears and have had their lambs weaned off for just over 2 weeks and present in predominantly store to forward-store condition. Testament must be made to the ewes do-ability and condition post-weaning, having done a terrific job on their lambs whilst maintaining condition themselves through a tough lambing period. Ewes exhibit good frame that, if given the opportunity, will continue to dress-up for upcoming joining. Please note, ewes were all jetted for lice off-shears before they left the yards. SCANNED EMPTY.
