| Assessor Comments            | Absolute top quality young ewes. These are the top of the drop of unclassified young ewes, tail removed prior to assessment. Vendor has been on Yarrowonga blood for 20 years and original flock purchased goes back another 20 years. Excellent wool sheep to suit the most astute breeder. These would suit a self-replacing merino operation or a XB operation. Total on offer is 490 head offered as 2 x 245 head lots. |
