Assessor Comments	On offer is a very good quality line of 1st cross maiden ewes that present in a forward to prime condition and are ready for joining to the ram of choice. They were purchased in late April as mixed sex 1st cross Lambs with the wether portion hitting trade and exports weights back in July. These ewes have grown out well and are a nice even line and will continue to mature into medium/large frame ewes. Selling two lots of the same age group in the same sale as a run out the gate.
