Assessor Comments	248 Borambil blood 4.5 year old ewes, The Wardius Family have been breeding and selecting their rams for 20+ years. They are consistently buying the top selection of rams each year, they target the heavier cutting types while also focus on meat / fertility. An excellent opportunity to secure a run of breeders sheep. These ewes are sound and strong in the mouth. Do not miss a great opportunity. Ewes are scanned every year, dries removed and sold.
