Assessor Comments	A line of one and half year old merino ewes with their whole life in front of them,These ewes are being sold due to farm being leased out.Merino ewes with plenty of stretch about them would be ideal for the ram of your choice wether it be traditional merino or a terminal sire and keep the wool cut continuing on.Flock av around the 6 kg of wool so plenty of punch in these ewes.Buyers can buy with confidence with a tail prior to assesment.
