Assessor Comments	On offer are a line of April/May 2024 drop merino ewe Hoggets. Ewes are well balanced large frame sheep. WOOLKABIN bloodiness, M/TS, August/September shorn. These ewe Hoggets are from the stud WOOLKABIN in WA, an opportunity presents itself to purchase a line of breeding ewes with years of genetics. Genuine sale caused by on going season conditions. Brough out of WA with the idea as future breeders but due to lack of rain fall and ongoing dry conditions ewes are for genuine sale. Ewes have been in containment on a light feed ration.
