Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	Nice line of mixed aged ewes from the Benefield Poll Merino commercial flock. Normally retained, the pressures of the season have meant these girls need to go. Benefield Poll are known for producing high quality, heavy cutting fleeces and with a substantial rebate already on their back you could shear them straight away or take them out to a 12-month program. Non-mulesed for 10+ years and from an RWS Accredited property this mob of mostly younger (70% 2023 drop) ewes would be a great starter flock or a fantastic addition to any breeding program.
