Assessor Comments	Fantastic opportunity to purchase a line of Ewe lambs from the Benefield Poll Merino commercial flock. These ewes would normally be retained but due to the pressures of the season need to be offloaded. The Benefield Poll program has a high focus on breeding sheep with high growth rates and top quality, crimping, heavy cutting wool. Non-mulesed for over 10 years and from an RWS Accredited property these super plain bodied ewes would suit either a 6 or 12 month shearing program. show them some love and reap the rewards!
