Assessor Comments	GENUINE FLOCK DISPERSAL. A top line of KARAWATHA BLD 2022 Drop merino ewes, these ewes are genuine classed in breeders. They present as large frame plain bodied ewes that will grow a bright white medium crimp stylish type of wool with a good amount of nourishment. I have no doubt these ewes would easily suit mating back to the merino or to any terminal sire of your choice. NOTE: The vendor also has 2 other lines of 2023 & 2021 drop ewes in the same sale
