Assessor Comments	Great opportunity to secure some top shelf genetics from the Mernowie stud flock. Only offered for sale to reduce some numbers after consistently high lambing percentages. The Mernowie sheep are true dual purpose performers with rapid growth and positive fat & muscle whilst still maintaining high quality wools and wool cut. Overall there was 139% lambs weaned this year. Would suit a self replacing Merino flock or also be great prime lamb mothers. Proven breeding ewes that are ready to join to rams of your choice. From a SheepMAP flock with MN3 Status. Please note there are also 120 x 1.5yo, 2.5yo and 3.5yo ewes on offer in this auction from same vendor. ASBV's included in attachment.
