Assessor Comments	Great opportunity to secure some top shelf genetics from the Mernowie stud flock. Only offered for sale to reduce some numbers after consistently high lambing percentages. The Mernowie sheep are true dual purpose performers with rapid growth and positive fat & muscle whilst still maintaining high quality wools and wool cut. Overall there was 139% lambs weaned this year. All proven breeding ewes that are ready to join to rams of your choice. Mernowie have been joining ewe lambs for 10 years and the ewe hoggets in this mob have already had a lamb. Would suit a self replacing Merino flock or also be great prime lamb mothers. From a SheepMAP flock with MN3 Status. Please note there are also 36 x 4.5 yo and 5.5 yo ewes on offer in this auction from same vendor. ASBV's included in the attachment.
